BRISBANE HOUSE

WE LOOK AFTER OUR TEAM, BECAUSE THEY LOOK AFTER YOU:

- We're a Real Living Wage Employer, meaning our hourly rates are more than the required national minimum wage, and reflect the true cost of living.
- 10% of our net profits are shared with every employee who's been with us 12+ months. The amount is based on hours worked, not salary, to make it fair.
- Should you choose to leave a tip, through card or cash, 100% of it will be allocated to the team in this venue, and is shared out through a system controlled by a team representative.
